Extract from Students’ Book recording

P: It’s so easy to make new online friends, isn’t it? They ask to be your friend, and you accept. It’s not as easy to make real life friends, is it?

J: That’s right. We make online friends very quickly. But a real friend is somebody you […] know over a long period of time. You meet, you spend time together and you get to know one another – it takes a long time to become close friends.

P: That’s right. But some friendships don’t last forever. […] when you don’t want to a friendship, you can simply de-friend people, can’t you?

J: I’m not sure I agree with that actually. I really hard to de-friend online friends. It seems really mean. I suppose that’s why I’ve got over 300 online friends. In real life, if you fall out with a friend, you don’t see them any more. Or sometimes you decide that you no longer have much in common. Then you lose touch. You don’t have to make the decision – it just naturally.

NEWS

35-year-old Herbert Chavez from the Philippines has transformed* himself from an ordinary dress maker into a real life Superman. After nineteen surgeries that copy the comic book hero’s look, Chavez has become a real-life Clarke Kent.

Herbert first fell in love with the superhero when he was five years old. Since then he has spent around 300,000 pesos (£4,400) on his obsession – a huge amount of money compared to the average wage in the Philippines.

When he’s not making dresses, Herbert can often be seen in the streets around his home dressed as Superman. He aims to teach children good morals and have some fun at the same time.

Herbert says he feels like a superhero whenever he pulls on the costume,* but his mission is not to save the world but to help in his own small way and bring a smile to the faces of local children.

Sleepily, Fiona switched off the alarm clock and tried to wake up fully. It was Monday again and she had another busy week ahead. With only four weeks until her final exams, there was lots of hard work to do and no time for her social life. She really wanted to be older, already finished with school, already earning. Perhaps because winter was coming and it was still cold and dark outside, she found it especially difficult to get out of bed this morning. Her legs felt heavy and she seemed to have less energy than usual. Maybe she had slept badly. Finally, she made it to the bathroom, switched on the light and stood by the washbasin. When she saw her reflection* in the mirror, she screamed. Looking back at her was the face of a terrified old woman – herself, but wrinkled,* pale and grey-haired …

When you get to the airport, look for a tall and a B____too slim girl with long, dark hair and big, blue eyes. A girl who looks C____of casual but fashionable at the same time – that’s Irena 😊.

She is a cool, easy-going girl, and a kind of person who looks / feels good in her own skin. But sometimes she D____be a bit shy and reserved, especially in new situations.

Irena’s always enjoyed / been enjoying fashion so she’s coming to the UK to visit some design schools and check the trendiest places. So maybe you could show her what’s in / at fashion in London now?

Thank you again for letting Irena stay with you. I know how great it is to stay with a British family, and I’m sure you’ll have a great time. Just be careful – she E____to talk a lot 😅.

Write soon, so we don’t lose / drop touch.

Love,
Inga

This photo shows a woman and a little boy shopping together. They are probably mother and son. It's hard to say exactly how old the little boy is, but he looks about 7 or 8. The woman is wearing casual clothes and comfortable shoes and the little boy is dressed like a superhero! He looks very unhappy though, in fact he is crying. I think they are in a children's clothes shop because the clothes on sale look very small, and in the background there are several other adults with young children. The woman is showing the boy a little white shirt and a tie. I imagine they are shopping for a school uniform, but I don't think he likes it. I'm not sure, maybe the little boy is upset because he'd prefer to wear his superhero clothes for school.

3 Find and correct the mistakes. Two sentences are correct.

I think she hasn't bought anything.
I __________ anything.
I think they’re very elegant.
I __________.
I think those trousers won’t fit her.
I __________ her.
I think green doesn’t suit him.
I __________ him.
I think he doesn’t look very happy.
I __________ very happy.

4 Choose the correct words.

In this photo, I can see three young women. They are probably as though in a hairdressing salon, because the woman on the left has cut the blonde girl's hair. The hairdresser looks quite young and a bit nervous, or perhaps she is just concentrating on what she is doing. It's hard to say, but I think the woman in on the right is checking what the hairdresser is doing. She's dressed quite smartly and seems to be an instructor or the boss, so maybe the hairdresser is still in training. Personally, I would never go to a trainee hairdresser, but I think the blonde girl isn’t too worried. She's smiling and looks very relaxed. Maybe she's happy because she is getting a free haircut!

Hi Kat – just back from the sales. Got some real bargains! First thing I bought was a (grey / woolen / cute) hat and a (silver-grey / long / lovely) scarf. They only had (glove / old-fashioned) gloves in the sale, so I’ll have to keep looking for those. I also found a coat finally! It’s a (black / mid-length / smart) raincoat and it was reduced by 50%! See you at 7 – fingers crossed it stays cold and wet – I want to wear my new stuff ;) Tina x
